WHO WE ARE

## A Story About Us

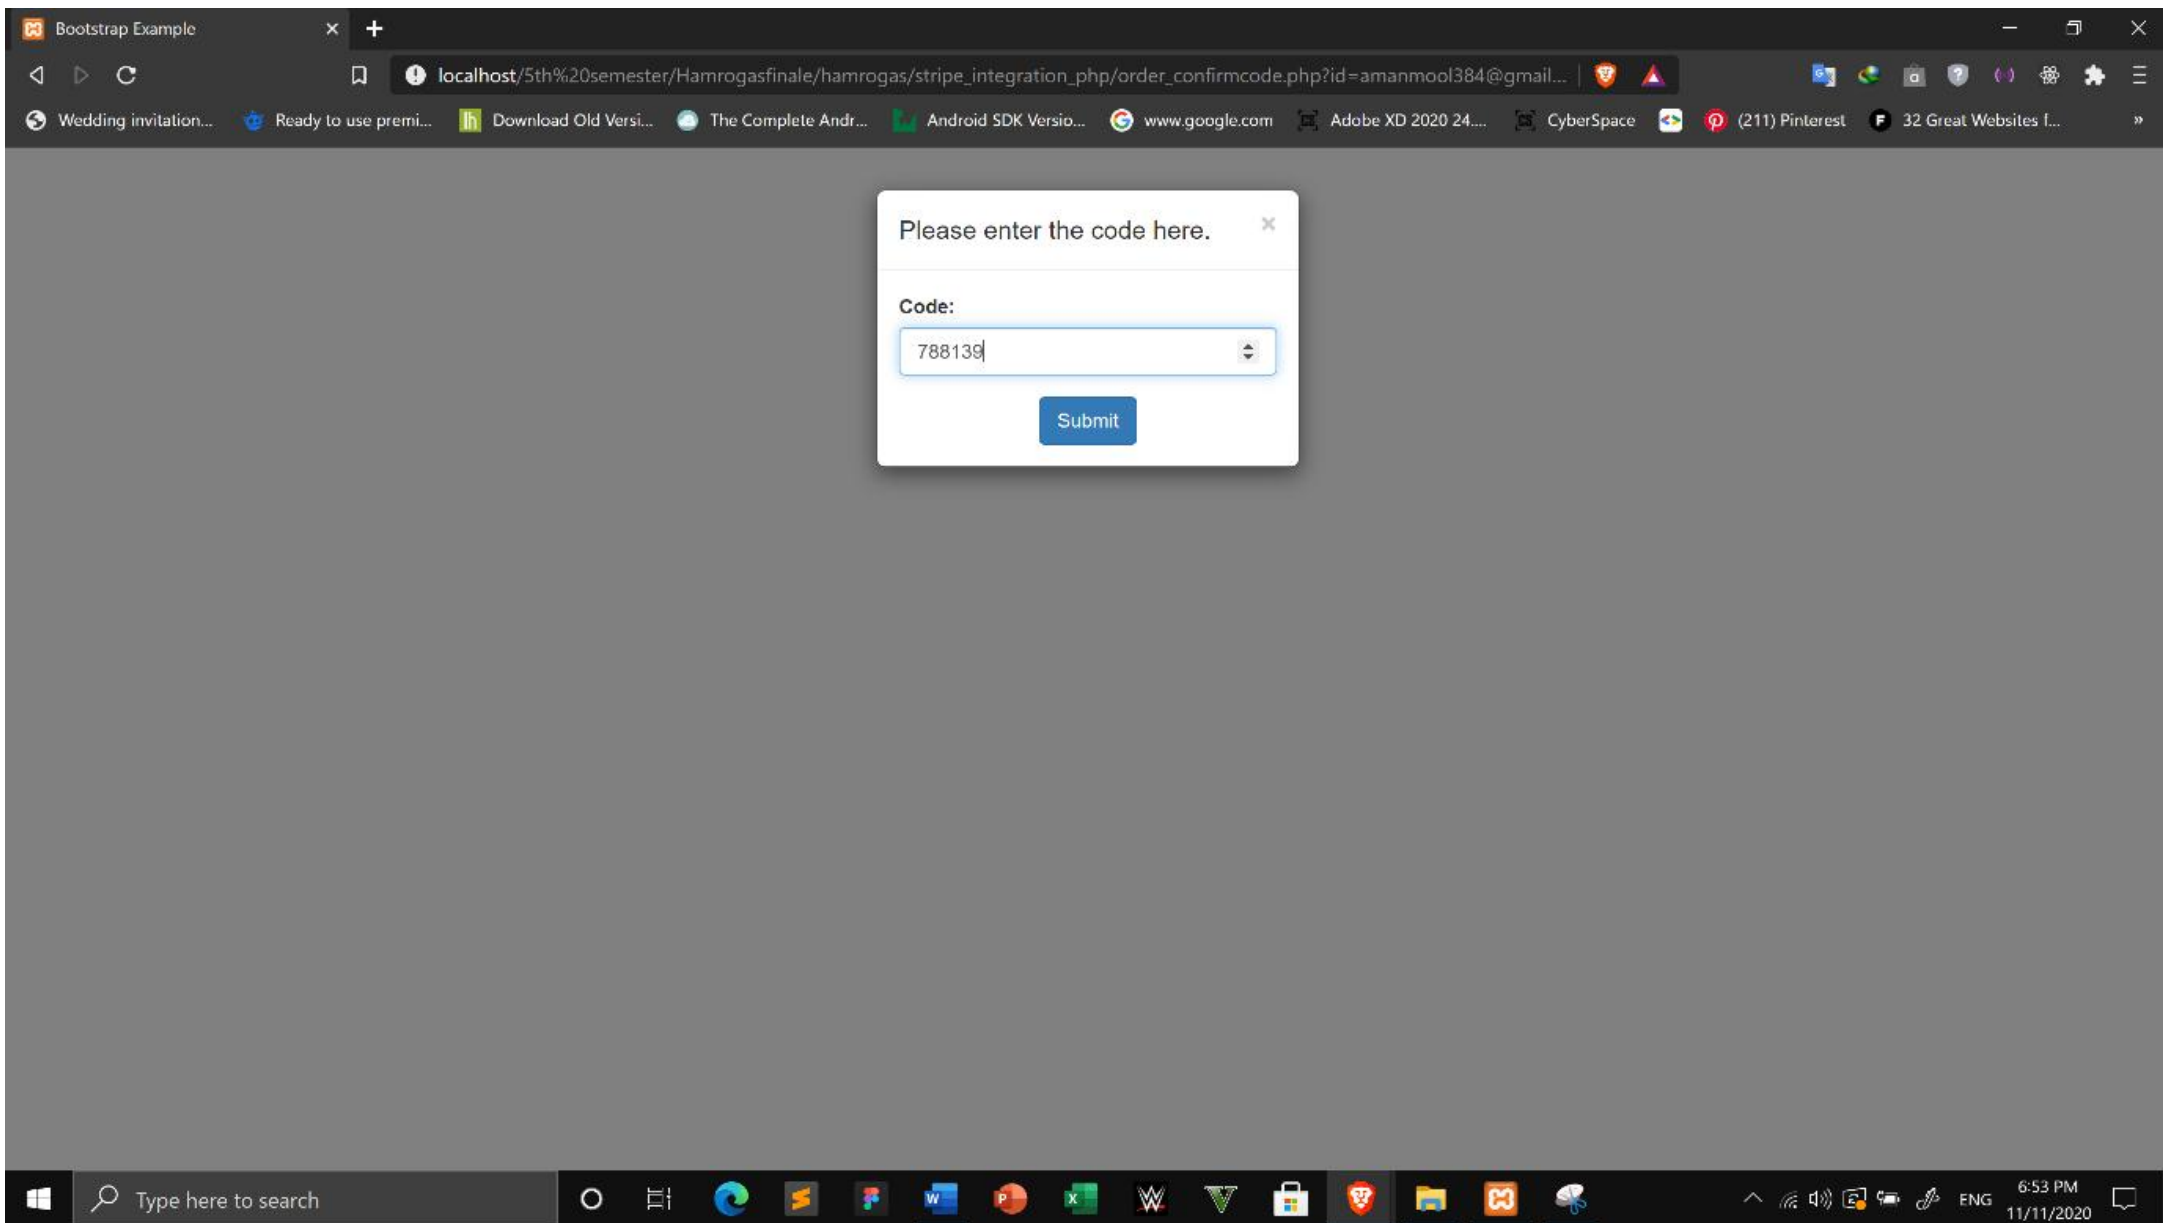

HamroGas also ties with the leading companies of India that provide technical assistance and supplies certified LPG cylinders and others quality equipment regularly. Plant has devices and processes for testing the cylinder's reliability and its net refilled weight and pressure is always checked thoroughly before making it available to the consumers.

So NGI guarantees 14.2 kg and 5 kg net gas content in the cylinders filled by this company. To provide maintenance service to the valued consumers, NGI has engaged experienced Technicians. Those Technicians immediately visit the consumers on their request over the phone for repair and maintenance works and guide them on safety aspect. Nepal gas is fully advanced botting system, no other company have in Nepal till date.
